

TITAN

CONTRACTING & LEASING CO., INC.

Titan Contracting and Leasing Co. Inc., is a full service Contractor and Fabricator, with a commitment to, and a heritage of excellence.

We specialize in construction management, mechanical construction, field fabricated tank design & erection, and pressure vessel fabrication. We invite you to view our website at www.titancontracting.com to learn more about us.

Our services have been utilized in most of the United States, Turkey, and several Caribbean countries.

We successfully utilize our abilities and resources in the following industries:

- Power Generation / Maintenance
- Petrochemical
- Pulp & Paper
- Water Treatment
- Mining
- Manufacturing
- Steel / Aluminum
- Food Processing
- Auto

Titan Contracting and Leasing Co. Inc. is very interested in joining an Iraqi firm as a partner to bring our respective talents together and assist in the reconstruction effort of Iraq.
